Thursday 12th February 2025

Dear Parents and Guardians,

Year 5 ST Cuthbert Mayne Science School Trip – Monday 9th March 2026

As part of our Science unit on properties of materials, we have organised a school trip for the Year 5 children to receive a Science lesson at St Cuthbert Maybe on Monday 9th March. The children will be able to carry out experiments in the Science department at STCM that we would find tricky to facilitate at Warberry and enjoy a taste of secondary school life!

 We will be departing from Warberry at 10:30 and will walk to STCM. We will be walking back at 12:30 to ensure that we are back at school ready for normal collection time. We will be eating lunch later on this day so packed lunches will be required.

All children should be in full school uniform for this trip and will need to bring a small backpack in which to carry a named water bottle. Please ensure your child has a waterproof coat as we are unable to guarantee the weather.

If your child is eligible for Free School Meals, you can order a school packed lunch via the MS Form. Please complete and submit by 20th February.
https://forms.office.com/e/1gcwDSps2n

As we prepare for the trip, we kindly ask that you ensure all your contact details and child's medical information is up to date via your MCAS login. This information is crucial and will be referred to if needed during the trip. Please do speak to your child's class teacher before the trip if you have any additional comments.

Additionally, please make sure you have ticked the consent for trips in the 'Parental Consents' tab via your MCAS app. This is essential for your child's participation.

If you have any questions or would like to volunteer for this visit, please do not hesitate to contact your child's class teacher at the end of the school day.

Kind regards,

Miss Fearon and Mrs Pinggera-Rivers
