

Tuesday 11th November 2025

Dear Parents and Guardians,

Year 5 Science School Trip to St Cuthbert Mayne – Tuesday 9th December 2025

As part of our Science unit on properties of materials, we have organised a school trip for the Year 5 children to receive a Science lesson at St Cuthbert Maybe on Tuesday 9th December. The children will be able to carry out experiments in the Science department at STCM that we would find tricky to facilitate at Warberry, whilst enjoying a taste of secondary school life!

We will be departing from Warberry at 11:30am and will walk to STCM. We will be walking back at 1:30pm to ensure that we are back at school ready for normal collection time. We will be eating lunch early on this day, so please order school lunches or bring packed lunches from home as normal.

All children should be in full school uniform for this trip and will need to bring a small backpack in which to carry their coat, plus a named water bottle. Please ensure your child has a waterproof coat as we are unable to guarantee the weather.

As we prepare for the trip, we kindly ask that you ensure all your contact details and child's medical information is up to date via your MCAS login. This information is crucial and will be referred to if needed during the trip. Please do speak to your child's class teacher before the trip if you have any additional comments.

Additionally, please make sure you have ticked the consent for trips in the 'Parental Consents' tab via your MCAS app. This is essential for your child's participation.

We will need **3 parent volunteers** to enable us to walk safely there and back on the day, for us to be permitted to attend this visit. If you can volunteer your time, please let your child's class teacher know and we will confirm this with you as soon as possible. If you have any questions or would like to volunteer for this visit, please do not hesitate to contact your child's class teacher at the end of the school day.

Kind regards,

Miss Fearon and Mrs Pingerra-Rivers
