And an amazing
team of helpers

We are a friendly group of super friendly, approachable, fun parent volunteers that give their time to create special memories for our children and raise much needed funds to enhance learning.

By having children at our school means you are automatically part of the PTA and we would love you to join us and be involved. It's a great way to get to know the school and feel part of the Warberry community.

We'd love new parents
to join us whether at
meetings to plan events
or at actual events.

You don't have to commit
to every event we do!

Please join our Facebook page to keep up
to date with our events

Together
we make a
difference
