

Monday 2<sup>nd</sup> December

**Year 6 DT – Making Biscuits**

Dear Parents and carers,

This half term, the Year 6 children are undertaking a research and design topic focussing on making seasonal biscuits. Over the next couple of weeks, they will be working in small groups to rehearse the skills they will need to make and bake biscuits, before creating and making a final product, which will be of their own design,

We are able to provide the basic ingredients needed. However, to reduce the numbers in each group and take the pressure off sharing many children to one piece of equipment, it would be great if you are able to send in any of the following pieces of equipment:

- mixing bowl
- weighing scales
- tea towel
- grater / zester
- biscuit cutters

In addition, any children who have aprons at home, will be most welcome to bring these in.

**Please send in any equipment in a named bag by Monday 9<sup>th</sup> December** and we will ensure it is returned to you after the project.

We look forward to sending home their finished products in time for Christmas.

Many thanks,

*Mrs Smith and Mr Metherell*
